

Lehigh Valley AVIATION SERVICES

To Our Valued Customers:

As the labor market struggles to regain stability from the pandemic, Lehigh Valley Aviation Services (LVAS) is among many businesses battling staffing shortages. The Lehigh-Northampton Airport Authority (LNAA) continues to aggressively recruit employees for all open positions in a sustained effort to return to optimal staffing levels as soon as possible.

The LNAA is committed to delivering the highest levels of safety and service during these challenging times. To help us avoid any longer than normal wait for service we request that you give us as much notice as possible when you require services.

Until further notice LVAS will not be providing services between the hours of 10:00 PM and 4:00 AM, except by prior arrangement.

If you have any questions or concerns, please contact Kimberly Rawhouser, FBO General Manager at 610-231-5271 or Darren Betters, Director, Business Development 610-231-5265.

We thank you for your understanding and patience as we continue to navigate these ever-changing times.
